

Create an opportunity for ReStore customers to get to know our staff

We would like to feature a biological background on each of our core ReStore Volunteers so that customers can gain a better appreciation for who we are and what we do.

The plan would be to feature one volunteer each week in the "What's New at the ReStore" newsletter. The articles would include your name (first name only) and some background information as well as a photo.

Each week we would feature another volunteer and post the last bio on the HFHMC website. At the end of 18 weeks we will have covered our core team. Next, I would like to send a very similar survey to our 2500 customers and see how many of them will respond. Their comments (I may edit out some of them) will also be posted to our website.

We will also make a plea each week for committed volunteers to "come join in the fun" and volunteer with us.

*** 1. First name**

David

*** 2. What is/was your work experience? Are you now retired?**

Airline employee,... not retired

3. What hobbies do you have and where do you live (town only .. no addresses)

Cycling,bee keeping,organic farming.and i live in grafton ohio
