**Each week we are featuring one of our core ReStore Volunteers. What follows are the responses to a set of questions we are asking each of the volunteers:
Our hope is that this will allow you to get to know our volunteers better.**

First name

Nick

What is/was your work experience? Are you now retired?

I was a tax partner with Deloitte for 30 years, retiring on June 1, 2015.

What hobbies do you have and where do you live (town only .. no addresses)

Live in Hinckley and my hobbies all revolve around helping others (in addition to running, golf and pottsing around the house).

What other community activities have you been involved in? Do you hold any elected office?

Numerous activities mainly focused around education. Currently I am a board member of St. Edward High School and also on their finance committee.

What department do you spend the most time in at the ReStore? Do you have other areas that you work in?

Mostly in Furniture, Appliances and Cabinets. I also work on Thursdays picking up donations around the county.

Do you volunteer at the ReStore other than on Saturdays? If so, what are your duties during the week?

Yes, Thursdays doing pickups and other days as needed.

Roughly, how many hours per month do you think you volunteer at the ReStore?

40 hours per month

What do you enjoy most about volunteering at the ReStore?

Helping people: customers, donors and other staff members.

The proceeds from the ReStore support the construction activities of Habitat for Humanity, Medina County. A continued source of dedicated volunteers is the life-blood of this organization. What can we do to insure that we are able to continue to find quality, long-term volunteers?

Continue to get the word out about the ReStore and how it benefits our overall community.

What changes would you suggest to make the ReStore a better experience for Customers and Volunteers?

Continue to educate others about the ReStore benefits and needs. Could we get additional media coverage (Sun Times, etc) in a systematic/Quarterly way?
