Habitat for Humanity ReStore Manager

Habitat for Humanity of Medina County (HFHMC) is a non-profit ecumenical Christian organization whose mission is to provide decent, safe and affordable housing, to empower God's love. HFHMC invites and welcomes employees, board members, volunteers, families, and donors from all faiths. This position is a hands-on position responsible for working with customers, answering the phones, stocking product but also management responsibilities such as managing the overall operations and performance of the HFHMC ReStore, managing staff and volunteers, developing policy and procedure, and maintenance of the facility. Works with Executive Director to promote the Habitat mission within the Restore and the community and ensure donors, customers and volunteers have an excellent experience within the ReStore. Must have 3 or more years of management experience and have a valid drivers' license and pass drug and background checks. Position is Tuesday through Saturday. Apply to info@MedinaHabitat.org. No phone calls.
