The proceeds from the ReStore support the construction activities of Habitat for Humanity, Medina County. A continued source of dedicated volunteers is the life-blood of this organization. What can we do to insure that we are able to continue to find quality, long-term volunteers?

**Assign a new volunteer to a mentor for their first few weeks to make them feel welcome and to integrate them into the workings of the store.**

What changes would you suggest to make the ReStore a better experience for Customers and Volunteers?

**Make sure that when an item is placed on the floor for sale that it is clearly tagged with the price. This eliminates confusion and looking for someone to place a price on the item later.**
